Alternative Rationalities and
Esoteric Practices from a Global Perspective

CAS-E WELCOME WORKSHOP

OCTOBER 18-19, 2022

Our CAS-E welcome workshop is intended as a semi-formal opportunity to both introduce our program, team, and staff to incoming fellows, and to meet new fellows and learn about their proposed research projects. It will be composed of presentations of our team and short introductory presentations of fellows and their work, to be followed by Q&A on each day. At the end of the second day, we will all go out to socialize over dinner.
