Forschungsgemeinschaft  
German Research Foundation

**Our CAS-E Fellows Teatime Welcome Workshop is intended as a semi-formal opportunity to introduce our program, team, and staff to new fellows, to meet new fellows, and to learn more about their planned research projects. It will consist of presentations by our team and staff and short introductory presentations by fellows. The event will be held in the form of a teatime workshop, followed by a teatime break for informal conversation, at the end of which we will attend the first lecture of the winter series at 6:15 pm, and then go out to socialize over dinner.**

<b>15.00 -15.10</b>	<b>Teatime meeting</b>
